

2022 43rd Annual International Listening Association Convention Virtual Program
Convention Theme: “Listening During a Time of Change”

Please Note: You will receive a video conference access link *after* you register for the convention. During the Welcome & Announcements on Friday, June 3, ILA board members will provide a short training and overview on the video conference usage including how to verbally participate, mute your microphone, enter and leave sessions, etc. Presenters are inputting revised abstracts into the program by 12 PM CST (noon), on Friday, May 27. Any questions or concerns, please the ILA Convention Planner, Dr. Christopher Bond at chris.bond@listen.org.

After the convention, participants will vote on their favorite panels, workshop, presentations etc. The top votes will then be selected as a “Spotlight on Listening” presentations provided virtually throughout the upcoming months.

All times indicated are in the U.S. Central Standard Time (CST) Zone, U.S.

Please check the program often. Times and panels may change.

Friday, June 3	Friday Session	Abbreviated Abstract (no more than 4-5 sentences) **Presenters please add your final short abstract below by 11:59 PM CST on May 26, 2022.**	My Session Notes

Presenters: Teri Varner, Janet McCormick, Annie Rappeport; <i>Moderator: Jarrett Bourne</i> F103: Listening in the Higher Education Personal Tutor relationship during COVID – A Critical Realist Perspective Presenter: Sheila Barrett F104: Empathic Listening for Teacher Educators: Introduction, Story, Activity Presenter: Scott Robinson	Example of how to input abstract: F101: <This is an example> A Content Analysis of Listening Skills Activities in Elementary Reading Textbooks. Presenters: Sean Rouse and Melanie Franks, University of Buffalo. This research examines elementary reading workbooks (<i>n</i> =42) and examines the definitions of listening as well as the various listening skills activities. Our research indicated that a need exists for a unified, listening skills curriculum for grades K-4 within the United States. Additionally, in 11 of the workbooks listening was defined similarly to reading.
